New TAC Website

- We have finished the migration to tac.lfenergy.org

- Any changes can be made via PR at <https://github.com/lf-energy/tac/>
- Previous wiki pages will have links to redirect to the new pages.
- Questions/feedback - let us know!

A screenshot of the LF Energy Foundation TAC website. The page has a light blue header with the LF Energy logo and a search bar. A sidebar on the left contains a navigation menu with links to Home, Getting Involved, Processes, Meetings, Programs, Tools, Resources, and Code of Conduct. The main content area is titled 'LF Energy Foundation TAC' and contains a paragraph about the TAC's role, followed by a list of responsibilities. Below this is a section titled 'TAC Members' with a paragraph about membership and a list of member roles. At the bottom, it says 'Current TAC Members are:' followed by a table that is partially cut off.

LF Energy Foundation TAC

Per the [Directed Fund Charter](#), the role of the Technical Advisory Committee (TAC) is to facilitate communication and collaboration among the Technical Projects. The TAC will be responsible for:

- Coordinating collaboration among Technical Projects, including development of an overall technical vision for the community;
- Making recommendations to the Budget Committee of resource priorities for Technical Projects;
- Electing annually a chairperson to preside over meetings, set the agenda for meetings, ensure meeting minutes are taken and who will also serve on the Governing Board as the TAC's representative (the "TAC Representative");
- Creating, maintaining and amending project lifecycle procedures and processes, subject to the approval of the Governing Board; and
- Such other matters related to the technical role of the TAC as may be communicated to the TAC by the Governing Board.

TAC Members

All members of the broad LF Energy Foundation community are welcome to participate in TAC activities, such as meetings or online discussion. For voting matters such as project inclusion or graduation, TAC members are composed of:

- One representative appointed by each Strategic Member
- One representative appointed by the technical oversight body (e.g., a technical steering committee) of each TAC Project

Current TAC Members are:
